

Changes to PSHB 1080 (H-1437)

March 29, 2020 Version (H-1340) Compared to March 31, 2020 Version (H-1437)

Agency/Section	Description
Commerce – Section 1065 2021-23 Clean Energy V – Investing in Washington’s Clean Energy	Corrects a typo in subsection 9(c). Changes “Hydroelectric turbine tub project” to “Hydroelectric turbine hub project”. Adds "hydrogen fueling infrastructure...to support long distance travel" as a type of project that can be prioritized for electrification of transportation systems grant funding in section 11 and permits the Lewis Public Transportation Benefit Areas hydrogen fueling station to dispense "hydrogen produced in Washington with electrolysis"
Commerce - Section 1069 2021-23 Housing Trust Fund Program	Renames the North Seattle College Affordable Housing project to the Bellwether Affordable Housing project.
Commerce - Section 1072 2021-23 Enhanced Shelter Capacity Grants	Clarifies that the Public Building Conversion pilot program is to be implemented with the Community House on Broadway, in partnership with CORE Health.
Commerce - Section 1073 2021-23 Rapid Capital Housing Acquisition	Allows the funding for the acquisition of real property to be converted into affordable housing, along with shelters and permanent supportive housing.
Commerce - Section 1077 2022 Local and Community Projects	Removes the Bellevue Arts Museum project totaling \$250,000. Reduces \$361,000 for the Okanogan County Agricultural Water Bank project and moves \$225,000 to the State Conservation Commission. Adds \$150,000 for the Historic Downtown Chelan Infrastructure Predesign project. Removes the Deer Creek Realignment and Culvert Replacement project and moves the funding to a new Puyallup Recreation Center project. Moves \$345,000 for the University Heights Elevator Installation and ADA Upgrade project from the Heritage Capital Grant Project list. Clarifies that subsection (8)(b) is related to the Historic Asberry Home acquisition project.
Commerce - Section 1087 Infrastructure Projects	Changes the location of the Fly Creek Pump Station from Hoquiam to Aberdeen.
Commerce - Section 1089 Work, Education and Health Monitoring Projects	Deletes the Dental Clinic HVAC Upgrades project and moves the funding to the competitive grant proviso. No change to total appropriated levels.
Department of Enterprise Services - Section 1112 Capitol Campus Security & Safety Enhancements	Corrects the proviso amounts to reflect the projected cost for each subproject.
Department of Enterprise Services - Section 1113 Legislative Campus Modernization	Corrects the Pritchard proviso amount, so that the total provisos, including the preservation study, matches the total appropriated level.
Military Department - Section 1129 Minor Works Program 21-23 Biennium	Adds a \$200,000 minor works project solely to facilitate the transfer of the Olympia Armory to the City of Olympia. Directs the Military Department to transfer the Olympia Armory to the City of Olympia at no cost.
Department of Ecology - Section 3082 2021-23 Remedial Action Grant Program	Requires the Department to work with the Port of Everett to develop an extended grant agreement for the Mill A project, in preparation of the Department’s 23-25 request for Remedial Action Grant program funding.

Changes to PSHB 1080 (H-1437)

March 29, 2020 Version (H-1340) Compared to March 31, 2020 Version (H-1437)

Recreation and Conservation Office - Section 3211 2019-21 - Washington Wildlife Recreation Grants	Deletes a provision allowing a maximum of \$1,421,700 of unused amounts in this program's appropriation to be used for the Milo Curry Trail near Port Townsend.
State Conservation Commission - Section 3265 Okanogan County Agricultural Water Bank	Moves \$225,000 for a water banking project in Okanogan County from the 2022 Local and Community project list.
Department of Natural Resources - Section 3331 Forest Riparian Easement Program	Corrects a reappropriation to reflect anticipated 2019-21 expenditures.
Superintendent of Public Instruction - Section 5022 2021-23 School District Health and Safety	Corrects a typo in subsection (3). Changes "\$345,000,000" to "\$345,000".
Superintendent of Public Instruction - Section 5024 2021-23 Career Preparation and Launch Grants	Corrects a typo in the project title. Changes "2021-23 Career and Preparation Launch Grants" to "Career Preparation and Launch Grants".
Washington State Historical Society - Section 5103 Heritage Capital Grant Projects 2021-2023	Moves \$345,000 within the Heritage Capital Grants Project list associated with the University Heights Elevator Installation and ADA Upgrade project to the 2022 Local and Community Project list under the Department of Commerce.
Commerce - Section 6005 2019-21 Housing Trust Fund Program	Moves the Ethiopian Community Affordable Housing project to the 2021 Local and Community Project list.
Commerce - Section 6008 2021 Local and Community Projects	Moves the Ethiopian Community Affordable Housing project from the 2019-21 Housing Trust Fund Program. Restores funding for the Satsop Business Park for a total increase of \$155,000 in state bonds.
Department of Enterprise Services - Section 6023 Campus Physical Security & Safety Improvements	Clarifies that the funding for the distributed antenna system is for the plaza garage along with the other parking garages on campus.
Department of Ecology – Section 6032 2019-21 Protect Investments in Clean Up Remedies	Changes a value within the proviso language, to reflect a 2021 Supplemental reversion (changes "\$2,260,000" to "\$827,000")
Military Department – Section 7039 Olympia Armory Transfer	Deletes section (Modified version of the Olympia Armory policy is moved to Military 21-23 Minor Works Program section)

NET CHANGE from H-1340 to H-1437 = \$119,000 increase in state bonds.
